Gramercy Court Skilled Nursing & Rehabilitation Center Undertakes Remodel

The remodel of the assisted living facility is the final stage of Gramercy Court's \$4.5 million campus renovation.

SACRAMENTO, CA—DECEMBER 2, 2020—Gramercy Court Skilled Nursing & Rehabilitation Center announced today that it has commenced a remodel of its assisted living facility. Despite renovations, the facility remains open, and reservations are open for January 2021.

This remodel is the third and final stage in a \$4.5 million renovation. The Gramercy Court campus is home to three facilities: skilled nursing, memory care and assisted living. With remodels of the skilled nursing and memory care facilities both complete, assisted living is the final step in presenting an all-new face to the community. The remodel has thus far been extensive, including the following elements:

- All-new flooring and walls
- Updated appliances
- Landscaping, including a new outdoor space
- Outdoor lighting
- A nurse call system

"We pride ourselves on the reputation we've earned in our community," Bushnell says. "As we complete our remodel and bring a fresh new look, now is the best time for the community to reacquaint themselves with Gramercy Court. All are welcome to come for a visit and make a reservation for themselves or a loved one."

The remodel is expected to be completed by year-end 2020, and reservations are now available for January of 2021. For more information on the remodel, or to inquire about the [Home and Community-Based Services \(HCBS\) Waivers](#), visit lifegen.net/gramercy/ or call (916) 482-2200.
